## Turning People Not Pages

We will be starting a “RDGMC Human Library” from 30<sup>th</sup> August 2018. It is a novel idea where books at Human Libraries are in fact people, who have great stories to tell. The idea is to challenge prejudices by encouraging conversations and interaction.

We have very experienced people who can tell you interesting stories, discuss on various issues. Gradually we will invite outsiders also. Maximum number of readers will be 50. Tea will be served in between.

- ◆ Day & Time : 2<sup>nd</sup> & 4<sup>th</sup> Thursday, 4:00 to 4:45 PM
